

Content of Proposed Congregational Survey Regarding Serving Alcoholic Beverages on SRVUMC Premises

Thank you for taking the time to complete this SRVUMC Survey. Results will be used by the Church to contribute to a decision whether or not to amend/develop policies regarding the serving/consumption of alcoholic beverages on church premises, and if so, help form the proposed policy. Survey responses are not a vote on questions polled. Any amended/proposed policies will require congregational discussion prior to approval and implementation.

This survey should only take about 5 minutes of your time. You have until (date TBD) to respond to the survey. Your answers will be completely anonymous and the survey results will be published in the Valley Messenger. Those who do not have access to email or computers to take this survey will be given an opportunity to take it on a hard-copy. There is space to provide any additional comments that you wish to be considered at the end of the survey.

For questions with multiple parts, please click each part that you agree with. Hence you may select all, some, or none of parts.

Even if you disagree that alcoholic beverages may be served on SRVUMC premises, we ask that you please complete all the remaining questions in order to provide input that may be used by the Church, should it decide to amend/develop policies regarding the use of alcohol on church premises.

Once again, thank you for participating in this survey and for completing all questions.
